NEW HOME FOUNDED

MR. AND MRS. KELLOGG RECENTLY FROM CONNECTICUT BUY PROPERTY ON KENWOOD

Mr. and Mrs. S. B. Kellogg, who are new comers in Glendale, have purchased what has been known as the Sherman house at 630 North Kenwood street and plan to make their permanent home here. Mr. Kellogg is a son of Dr. S. B. Kellogg of Los Angeles and is almost a native son, having come with his parents to the Golden State when he was eighteen months of age. He continued to live here until he went east to college in 1913. Two years ago the western girl to whom he had pledged his troth joined him and they were married in the east, but both were sure they wanted to found their home in California so, in their Ford Special, they drove all the way across the continent from Connecticut coming by way of Yellowstone Park and Seattle. They were eight weeks on the road, one week of which was spent stuck in the mud in Minnesota. The balance of the trip was delightful. They reached Los Angeles about three weeks ago and since that time have been investigating the suburbs to determine where they wanted to live. Glendale won and they are here. They are more or less familiar with the city, having lived in Hollywood and passed through it many times. They also have friends here who will help to make them feel at home.

GET THE LIMIT IN DEER

Clyde L. Morrison of the Glendale Pharmacy is in receipt of a letter from his partner, A. L. Baird, giving interesting news. Mr. and Mrs. Baird and Dr. and Mrs. T. C. Young are away on a hunting and fishing trip in the Sutter River District near Chester where big lumbering operations are being carried on and where game is more plentiful than in the Sierra Madre mountains. Mr. Baird writes they have the deer limit allowed by the law (four), and will now give their time to rod and reel for two weeks. They will return about the middle of September.

K. OF C. ELECTION

HEARTY SUPPORT PLEDGED TO NEW OFFICERS AND RETIRING OFFICIALS HONORED

Glendale Council, Knights of Columbus, is rounding its first milestone and celebrated Wednesday night by electing the following officers for the ensuing year.

Chaplain, Father J. S. O'Neill; Grand Knight, Henry M. Doll; Deputy Grand Knight, H. V. Henry; Chancellor, E. L. McMahon; Financial Secretary, F. H. Huesman.

Recorder, J. W. Mullen; Warden, J. H. Mellish; Treasurer, J. W. Andree; Lecturer, J. Thomas; Trustee, J. W. Quinn; Inside Guard, A. J. Chappius; Outside Guard, J. Casey; Advocate, N. K. Millen; Organist, E. L. Martinez.

The election went through in Hip, Hip, Hurrah Style amid great enthusiasm and after adjournment the forty members present proceeded to the White Inn where a tasty banquet was served and vocal numbers rendered sweetly by Misses Viola Yorba and Eileen Grist.

Speeches by the new and old officers as well as members were enthusiastically received and hearty support for the new regime was the keynote throughout.

Father O'Neill was called upon and with his usual ability complimented the retiring officers, especially Grand Knight Peter L. Ferry for the well-laid foundation and felicitated the new captain and mates.

TRIES THE AIR ROUTE

Dr. Frank Bowden, of Cleveland, friend of Clinton Booth, returned from Catalina by the air route and is very enthusiastic over his experience. He predicts that it will some time be a more ordinary mode of travel for physicians when called to emergency cases, particularly for the specialists liable to be summoned to distant cities. The doctor brought with him a barracuda that he caught a short time before he left the island and it was cooked and served at the Booth home that night. Mrs. Bowden did not feel equal to the adventure and returned from Catalina by boat.

Owen Dibbern, who has been in a military hospital in San Francisco for several months, came home on a few days' furlough yesterday. He hopes for an early discharge.

LONG AUTO TRIP

MR. AND MRS. J. H. BRALEY RETURN FROM 1620-MILE TOUR IN THE NORTH

Mr. and Mrs. J. H. Braly returned Thursday night from an auto trip of 1620 miles which took them to the Big Basin and its big tree grove, and as far north as Eureka. They came south to San Francisco in time to witness the arrival of the Pacific Fleet with its fifty-two ships and drove to the Presidio where they were fortunate in securing a parking place where they saw the pageant to splendor advantage. They were guests at the Palace Hotel where a big reception was held for the wife of Secretary Daniels and Mrs. Ralph, wife of the mayor of San Francisco, which Mrs. Braly attended. It was also a reception for the army nurses. To those who had served overseas medals were given in recognition of their patriotic service. At Eureka they were guests of old friends of Mr. Braly, who accompanied them to the big tree grove, a wonderful excursion to Mrs. Braly who is a great lover of trees.

They also had a visit with Mr. Braly's sister and three nieces. Their homeward journey was by the coast route, taking in the Santa Cruz forest, and including a stop for a visit with relatives at Santa Barbara. It was a wedding trip for their chauffeur who has recently married and whose bride was their guest.

FIRE AT CONGREGATIONAL CHURCH

This evening at eight o'clock there will be a fire in the Glendale Congregational Church, Central and Wilson avenues. However, Glendale's efficient fire department will not have to be called, for the fire will be well under control.

When the present building was erected a loan of \$700 was secured from the Congregational Church Building Society. This loan was to be paid in ten annual payments of \$70 each.

The Woman's Auxiliary of the church have always provided the money for these payments. So well have these good women done that the entire \$700 is paid three years before it was due. Friday evening the pledge which was made will be burned. The church property is now entirely free from indebtedness.

A supper will be served at 6:30 o'clock. A large attendance is already assured.

The program, which is entirely free, will include a splendid reading by the talented Mrs. A. H. Montgomery, entitled: "As the Moon Rose," by Pauline Phelps. The Old Maids' Convention will be presented, and the following characters will appear: President, "Desire a Man;" secretary, "Mehitable Hopeful;" members, Nancy Never There, Susan Always Late, Maria Think About It, Lizzie Still Thinking, Melinda Never Give-Up, Jerusha Stuck Up, Sophronia Rhymer, Harriet Don't Care, What-I-Am, Jemima Anybody, Amanda Screamer, Henrietta Cleanup and Professor Jean Marie Francois Armand Make-Over.

HUNTERS GET MOUNTAIN LION

H. E. Purrier, constable of Burbank township, and Jack Lucas, of 128 South Brand boulevard, are objects of interest and envy among the hunters of big game. Their bag was nothing less than a mountain lion which measured eight feet from tip to tip which they secured in Pacoima Canyon back of San Fernando. They are having plenty of opportunities to tell how they got it.

ENTIRELY DIFFERENT

NEW FRUIT AND VEGETABLE STORE A DECIDED NOVELTY IN GLENDALE

Located just west of the new brick and tile service station on the southeast corner of Brand and Colorado, in a new building designed and erected especially for the purpose, two of Glendale's popular young men will open up tomorrow their "American Vegetaria," a new, complete, up-to-date fruit and vegetable store. They will keep not only in-season fruits and vegetables, but the rare out-of-season products. They get their supplies fresh daily from the big Los Angeles markets and the growers of this fertile valley. All will be beautifully displayed and exceedingly attractive to the eye of the beholder. Harry W. Wilson, formerly with the grocerita, will look after the purchase and display of the stock and he is an expert in this line. Glendale's housewives will find this new Vegetaria a popular place from which to choose their fruit and vegetables.

NINE A. E. F. SOLDIERS HANGED

FACT REVEALED AT CONGRESSIONAL COMMITTEE COURT MARTIAL EXAMINATION

(Special Service to Glendale Evening News)

PARIS, September 5.—It was revealed today at the Congressional Committee's court martial investigation that nine members of the American Expeditionary forces were hanged during the war. One was for murder and seven for rape. Six of the seven were negroes.

DYNAMITE EXPLOSION AT SALT LAKE

SUSPECTED TO BE THE WORK OF "BLACK-HANDERS," ALL THE VICTIMS BEING ITALIANS

(Special Service to Glendale Evening News)

SALT LAKE, September 5.—Nine persons were injured, three of them seriously, in a dynamite explosion today which partially wrecked the Westside hotel. It is believed that "black-handers" are responsible. All the injured were Italians. The firemen saved twenty women and children from the wreckage.

SECRETARY REDFIELD RESIGNS

ASKS TO BE RELIEVED LAST OF OCTOBER TO ENGAGE IN BUSINESS ENTERPRISE

(Special Service to Glendale Evening News)

WASHINGTON, Sept. 5.—Secretary of Commerce Redfield today announced that he had handed the President his resignation and expected to retire late in October. In explanation he said: "Personal affairs demand my attention. August 1st I wrote the President asking to be relieved October 15th. Later when I found he was going to be gone during September I offered to remain two weeks longer." He emphatically denied that he had resigned because his "pet plans" had not been adopted. He said he would engage in a business enterprise.

Bernard Baruch is prominently mentioned as his possible successor, but it is said that Baruch previously refused official positions.

SAMUEL GOMPERS APPEALS TO PRESIDENT

SAYS STRIKE THREATENS AND ASKS HIM TO ARRANGE FOR CONFERENCE CAPITAL-LABOR IN STEEL INDUSTRY

(Special Service to Glendale Evening News)

WASHINGTON, Sept. 5.—Samuel Gompers has telegraphed President Wilson asking him to arrange for a conference between the heads of the steel workers' union and officials of the United States Steel Corporation. He alleges that the corporation is ill treating its employees and that a strike is threatened. He said the strike might endanger the whole program of industrial reconstruction.

SENATORS ANSWER WILSON'S ARGUMENTS

SHERMAN AND BORAH REPLY TO THURSDAY SPEECHES AND HARDING WILL FOLLOW UP

(Special Service to Glendale Evening News)

WASHINGTON, Sept. 5.—Senator Sherman in addressing the Senate today made the first answer to the President's speeches of yesterday. He attacked Wilson as a "demagogue" with a "contemptuous disregard" of the government. He dwelt particularly on the President's declaration that the international labor conference will convene in October whether or not the peace treaty is ratified. This, he declared, was an "appeal to the lawless, a covert invitation to the ever-present restless, dissatisfied element to demand what they will." He further declared that "public officials have been impeached for less flagrant violations of the laws of their country than this."

Senator Borah answered the President's challenge to "put up or shut up" with the declaration: "Twill be impossible to shut up." Senator Harding will deliver a carefully prepared answer to the President's Indianopolis and Columbus speeches within a few days.

ST. LOUIS WELCOMES PRESIDENT

BANDS PLAY, THRONGS CROWD THE STREETS CHEERING ENTHUSIASTICALLY

(Special Service to Glendale Evening News)

ST. LOUIS, Sept. 5.—President Wilson received a great ovation when he arrived this morning. Throngs crowded around the car and at times the soldiery had difficulty in controlling the situation. The crowd shouted for "Woodrow" and demanded to see his wife. The streets were thronged with cheering citizens as the President's auto passed through them en route to his hotel, and bands played lustily. The hotel lobby was packed. The President chatted briefly with the reception committee and then went to his apartments. Addresses will be made at a big luncheon arranged for this afternoon and at a public meeting tonight.

TRUSTEES' MEETING

RAILROAD COMMISSION GIVES NOTICE OF HEARING ON TELEPHONE RATE CASE SEPT. 15

The Board assembled at 8:10 p.m., September 4, 1919, all members present. The minutes of the regular meeting of August 28, 1919, were read and approved.

The regular order of business was changed and the matter of the protest against the Crystal Ice Company's Plant was taken up on motion of Trustee Woodberry. An additional petition was filed in reference to this matter signed by F. A. McCall and three others, stating that they signed the protest upon the representations made by another person knowing nothing of the facts of their own knowledge, and intending only to petition for the formation of an industrial district. On motion of Trustee Shaw it was ordered that a hearing in regard to the complaint against the Crystal Ice Company be set for Tuesday at eight o'clock p.m., September 16, 1919, in the Council Chamber; petitioners to be notified of the hearing and witnesses heard at that time to testify under oath.

A petition was presented, signed by A. William Goetz, and over a hundred other petitioners asking that the City Trustees reconsider the ordinance prohibiting local taxis parking their cars on the northeast corner of Brand boulevard and Broadway. Mr. Goetz and J. L. Martin addressed the Board in support of the petition.

H. A. Wilson appeared before the Board requesting that he be permitted to run auto stages through Glendale temporarily, pending the granting to him of a permit by the Railroad Commission, without the payment of license. On motion of Trustee Henry, referred to the Committee of the Whole.

Mr. Babb appeared before the Board in reference to a fence at the foot of Adams street which had been erected by him. No action was taken.

A communication was read from the Railroad Commission of the State of California, giving notice of hearing on Monday, September 15, 1919, at ten o'clock a.m., in the Flood Building, San Francisco, in the matter of the investigation into all rates, charges, rules and regulations of the Pacific Telephone & Telegraph Company. The communication was filed, it being understood that the City Attorney would be in attendance at the hearing.

Applications for permit to conduct auto business in the City of Glendale received from N. B. Drake and A. B. Drake, E. J. Jackson and M. R. Lowe, all of which being approved by the City Manager were, on motion of Trustee Henry, granted.

An application was received from Thomas J. Ake for permission to sell milk in the City of Glendale, which, having the approval of the Milk Inspector, was, on motion of Trustee Woodberry, granted.

A communication was read addressed to the president of the Board from the Syd Chaplin Aircraft Corporation, calling the attention of the Trustees to the development of aviation in this section and stating that it is very desirable that the various cities and towns in this vicinity establish suitable landing fields for air craft, further expressing the desire that Glendale should take some action in regard to the matter.

PRE-NUPTIAL SHOWER

MRS. BLAKE FRANKLIN CHARMINGLY ENTERTAINS FOR MISS VETA FRANKLIN

Mrs. Blake Franklin was hostess at a shower and charming social affair given Thursday afternoon at her pretty home at 398 West Wilson avenue for her sister-in-law, Miss Veta Franklin, who is to become the bride of Charles F. Robinson September 7th.

A beautiful color combination of pink and lavender featured the floral decorations, lavender china asters being effectively combined with pink carnations and gladioli massed in such a manner as to completely mask the mantel and fireplace of the reception parlor, with asparagus fern for a background.

Guests were much entertained with a guessing game called "The Shakespeare Wedding," in which blanks had to be filled with the names of Shakespearean plays, the last blank calling for "All's well that ends well." Mrs. Hartley Shaw made the high score and was awarded a big bouquet of gladioli as a prize for her cleverness. There were a few musical numbers, Mrs. Frank Head singing "Love Can Never Grow Old." FLOOD CONTROL WORK

LARGE FORCE BUSY ON MAKING VERDUGO WASH SAFE FOR GLENDALE

With G. E. Daley, Assistant Engineer of the County Flood Control Department, in charge, a large force of men is busy in Verdugo Wash, so transforming it that it will no longer be a menace to the city in flood times. There are two engineering parties at work preparing plans and staking out the lines, also 40 or 50 men engaged in clearing the channel of shrubs and brush, driving the pilings and forming solid walls to hedge in the stream. From Verdugo Canyon bridge southwest to Brand boulevard two-inch steel piling is being driven into the ground in rows six feet apart but not opposite each other. Heavy wires will be stretched across diagonally back and forth above and through the solid mat of brush that is to be dumped in between the rows of piling. All the trees in the city are to be trimmed to furnish this brush. From a point a little west of Louise street and extending to Central avenue, an entirely new channel will be dug, in order to eliminate the two curves that now cause so much washing away of soil. Across this new channel, which is 150 feet south of the present one at the Brand boulevard crossing, will be constructed two steel and reinforced concrete bridges, for which bids will be asked soon, these to carry the two highways one on either side of the P. E. tracks. The P. E. will construct their own bridge.

West from Central avenue, heavy wooden piles will be driven in double rows on either side to form the side walls of the wash. The space between the rows will be filled in with heavy boulders and brush. It is hoped the work can be completed by the close of the year.

DELIGHTFUL VACATION TRIP

A very delightful and interesting vacation trip was enjoyed the past few weeks by Miss Della Echols and mother, Mrs. W. A. Echols, who toured the country of the Northwest, including in their travels scenic points of interest in and around Victoria and Vancouver, British Columbia, Seattle and Tacoma, Washington; and Portland, Oregon, going via Salt Lake City and returning via San Francisco.

GLENDALE ELKS' BOWLING TEAM CRUSHINGLY DEFEATS LONG BEACH

Braced by their two recent defeats, 1289's bowling team went to Long Beach Tuesday night prepared to do or die. The result was that every member was on his tiptoes and played the game of his life, as the score shows. If we are not greatly mistaken this was the highest average made by the team this year. Hearnshaw did especially brilliant playing, rolling up 657 points in the three games. The detailed score was as follows:

	1	2	3	Total Ave.
Apfelf	207	201	200	608 202 2-3

PRE-NUPITAL SHOWER

(Continued from Page 1)

response to insistent request, and in spite of her lameness, Miss Veta Franklin also sang.

When it was time for the shower, the ladies were requested to close their eyes but no one obeyed except the guest of honor, all others being too anxious to see what was going to happen. The hostess brought in a purple parasol from which the gifts descended in a shower which complete-

ly invested the recipient when she opened her eyes. A most interesting half hour followed, during which the presents were unwrapped and admired, a beautiful collection of articles, many of them for the personal adornment of the bride to be.

Refreshments were then served in cafeteria style by the hostess, assisted by Mrs. Frank Head, Mrs. Mabel Ocker and Mrs. Harry Franklin, the refreshment table carrying out the color scheme in the floral decorations, the ice cream and the frosting of the cakes. Ladies entertained were: Miss Veta Franklin, Mesdames S. R. Frazee, J. H. Franklin, H. W. Yerrick, David Gregg, Hartley Shaw, Harry Bullinger, E. H. Williford, W. D. McRae, Edwin Dale, Maud G. Jackson, Pierre Potter, C. N. Van Dyke, Sarah Van Dyke, C. E. Hutchinson, Eugene Murman, and Miss Frances Jackson, all of Glendale, Mesdames Hiram Wilkes, E. E. Ramp, L. Williams, and Shirley Boles, of Los Angeles, Mrs. Coleman of Eagle Rock, Mrs. George Galbraith and Mrs. Florence Laird of Hollywood, and the assisting hostesses already mentioned, Mrs. Frank Head, Mrs. Mabel Ocker and Mrs. Harry Franklin.

The Black Curtain Lifted

Ludendorff's Confession

To Reveal Germany's Secret War History at Last!

Throughout the Allied countries, official circles and the general public are awaiting with intense interest the publication of General Ludendorff's book, which will TELL FOR THE FIRST TIME THE FULL INSIDE STORY OF GERMANY'S DOOMED ATTEMPT TO DOMINATE THE WORLD.

The curtain of mystery and secrecy that shrouded every move of the German military autocrats and the Teuton war machine will be removed.

The Veil Will Be Torn Aside in the Columns of The Examiner

Ludendorff was the dominating figure of the German war lords. He even overshadowed the Kaiser toward the last, and when the crash of German autocracy came he gathered a great mass of official records and documents and fled to Sweden, where he commenced the writing of his German war history.

It Is, Without Exception, the Most Momentous Feature Printed in Any Newspaper Since the War Began

The largest cash advance ever paid in the history of the publishing business was paid for this manuscript. Lord Northcliffe and Sir George Hutchinson, the great English publishers, went to Stockholm, read the manuscript and pronounced it THE GREAT STORY OF THE GERMAN SIDE OF THE WAR.

Ludendorff's revelations will appear simultaneously in all Allied countries. In England they will be published in the Northcliffe newspapers; in Paris in "Le Temps"; in America the startling expose will be published by leading newspapers, including the Philadelphia Public Ledger, the Toronto Star, the Chicago News, the Boston Post, the New York World and many others.

In the Southwest It Will Appear

Exclusively in The Los Angeles Examiner

It Begins SUNDAY, SEPT. 7, and Will Be Published in DAILY INSTALLMENTS
